LESSONS FOR THE CHURCH TODAY

(Final part in a series of 6)

The Easter season and these past few weeks have offered us an opportunity to take stock of who we are as Church. This is not a matter of Church design, of buildings, of properties or programs, or even of attendance records and housekeeping details.

Something far more important is at stake. Who are we as Church? How do we today embody the ideal qualities of the post-Resurrection faith community portrayed in the Acts of the Apostles.

According to Acts, the Church is a community entrusted with a mission to carry the "good news" of Jesus Christ forth to the whole world. We are primarily a community of believers. We are called together in fellowship to support one another in faith, to celebrate the sacraments and a regular life of prayer, to share with the community from our possessions (material and otherwise) and to give testimony with joy and hope, confidently trusting that God continues to guide us in the Holy Spirit.

As we journey through Ordinary Time it is important to remember that the Easter season and its scriptures offer us an opportunity, not because it is the sole time to be Church in the world. The Easter Season is however, a unique time to reflect with joy that the Church miraculously grew from a small group of frightened disciples gathered in an upper room into bold proclaimers of the message of Jesus Christ. We take that with us beyond the season - this is what the Church of today ought to be about as we testify to our Easter faith. It is a lot more exciting - and challenging - than constructing even the most magnificent building!

I hope you have enjoyed this teaching on the church and that you feel more a part of it each day. God bless you as you are church. May the Holy Spirit lead you in service and love each day in the church on earth and bring you at life's end to the blessed church in heaven.

FATHER'S DAY 2005

SPECIAL FATHER'S DAY HOSPITALITY IN THE GARDEN:

Today, Holy Family Parish celebrates Father's Day with a special fellowship hospitality in the Guadalupe Garden (located between the church and the Parish Office.)

"Fatherhood is one of life's most challenging yet fulfilling endeavors. On Father's Day, we honor America's fathers and express our appreciation for all they do to help build a strong foundation for our children and our Nation. We also reaffirm our commitment to supporting fathers and encouraging responsible fatherhood in our society. Fathers have indispensable roles to play in the lives of their children: provider, protector, nurturer, teacher, and friend."

Excerpt from Father's Day Proclamation

BLESSING FOR FATHERS

God our Father,
in your wisdom and love you made all things.
Bless these men,
that they may be strengthened as Christian fathers.
Let the example of their faith and love shine forth.
Grant that we, their sons and daughters,
may honor them always
with a spirit of profound respect.
Grant this through Christ our Lord. Amen.

Happy Father's Day!

Stewardship

~ a way of life ~

A BEAUTIFUL STORY OF A BLESSING RETURNED:

This story comes from one of the volunteers in our parish office:
 A woman recently came to the door of the Parish Office and gave us a \$100 bill. She told us that many years ago her husband had left her with three children and she experienced some very hard times. Her mother told her to go to the Catholic Church for help.

She came to Holy Family Church at the time and spoke to the priest – Msgr. Mistretta – and he gave her a \$100 bill, which helped her a great deal.

She has since remarried, has seven children and is very happy. She moved away, but happened to be in the area searching for Costco and saw Holy Family Church. She remembered the kindness of a holy man and stopped to return the blessing.

The Holy Spirit is truly at work in her life!

STEWARDSHIP COMMITTEE MEETING:

The Holy Family Stewardship Committee meets on Tuesday evening, July 12th, at 7:00 pm in St. Joseph Hall of the Community Center. All parishioners are invited to attend and lend your support to this vital ministry. The focus of this meeting will be the continued planning of a parish Monte Carlo Night scheduled for September 24, 2005. Please join us for the meeting, and mark your calendar for this wonderful event!

PARISH PICNIC:

Thank you to all who participated in the Parish Picnic on Sunday, June 12th. This event was a wonderful success, even on relatively short notice. The spirit of cooperation and community went far beyond the tremendous array of dishes at the pot luck table as dozens of parishioners pitched in on the setup and cleanup and made the traditional outdoor games fun and exciting. Special thanks to John Norwood for the use of his party-sized barbecue, Steve Fischer for toiling over the hot grill, and to Mark & Irene Hronicsek, Corinne Wihl and Jen Yearwood for tasks too numerous to list. Their hard work and the wonderful collaboration of all present made it a blessed day, and a good time was had by all! We look forward to more of such community events on the horizon.

COMING NEXT WEEK IN THE BULLETIN:

REVIEW OF THIS YEAR AND PROJECTIONS FOR THE NEW YEAR IN STEWARDSHIP:

The Stewardship of Treasure numbers you see in the weekly summary presented in each bulletin are a snapshot of the generous, responsible, compassionate and charitable stewardship of the wonderful people of Holy Family Parish - YOU! In next week's bulletin we will have a wrap-up of some of the year's results and a look ahead to the new fiscal year which begins July 1, 2005.

MISSIONARY APPEAL - SECOND COLLECTION THIS WEEKEND:

As part of the Diocesan Missionary Cooperation Plan for 2005, Holy Family will host a presentation by the Sisters of the Visitation Congregation of Allepey, Kerala, India. This religious congregation provides education and formation of children and youth, as well as healing ministry to the old and infirm. Today they have about 50 convents serving all over India, Africa, Germany and Rome. Part of their appeal is for completing the construction of St. Sebastian's Nursing School in Arthunkal. The presentation will be given at all Masses this weekend, June 18th & 19th, and today's second collection will be taken for the appeal.

NEXT WEEKEND IS THE HOLY FATHER COLLECTION:

Next weekend will be the special Peter's Pence collection in support of the works of the Holy Father. The proceeds from this collection fund emergency relief assistance to those throughout the world who suffer from war, oppression and natural disasters

ARTICLE 5: COME ON IN: THE WATER'S FINE

[As part of our ongoing celebration of the Year of the Eucharist, Holy Family will present each week this series "Three Minute Liturgical Catechesis through the remainder of the church year.]

Do you remember a time when you were hesitant to jump into a swimming pool or wade into the waves at the ocean? A friend or family member, already in the water, perhaps called out to you, "Come on in; the water's fine."

Sometimes we approach the liturgy a bit like that body of water. We know that jumping in is the only way to really enjoy it, but we're still hesitant to make the leap. Perhaps we are shy by nature and inclined to play the wallflower. Perhaps we don't really like to sing or don't think we have a very good singing voice. Perhaps we participate well most Sundays but just got up in a bad mood this morning.

There can be a lot of different reasons we hesitate to jump in, but the only way to fully benefit from the liturgy is to enter into it with our whole selves. We are invited by Christ to share in his worship with every part of ourselves - mind and heart, body and soul, eyes and ears and voices. We need to worship the Lord with both our interior disposition and our external expression.

When the liturgy begins, we are all called to praise God together by joining in the opening song. This song often expresses the theme of the feast or season we are celebrating, helping us to enter into the mood of the celebration. Sometimes it may be more general, speaking simply of beginning our worship. In either case, it calls us to move beyond the limits of our own little world and become part of something much larger.

It is important to realize that the liturgy is a common action of all those gathered. It is not private prayer but communal prayer. The entrance song reminds us of this fact, because the song itself

draws us into a communal act of praise. Each of us contributes his or her own voice to one musical sound. Our voices blend as one, because we each sing the same words on (at least roughly) the same note at the same time.

This is one of the main functions of music in the liturgy. It unites us in a common act of worship. It is a unifying element that recurs again and again throughout the liturgy, continually calling us to worship as one body in Christ.

Music also adds a sense of solemnity to our celebration, lifting it out of the ordinary and expressing our joy and our thanksgiving. Music can lift our minds and our spirits as we lift up our voices to the Lord.

All of this works, of course, only if we join in the singing. It takes all our voices together to give God the praise that God is due. It takes the cooperation of each person in the assembly if our music is to be as grand and glorious as it can be. If you think your voice isn't that great for singing, so what? God gave you that voice; give it back to God! Don't let any fear or hesitation keep you from joining in. Come on in; the water's fine

"How I wept, deeply moved by your hymns, songs, and the voices that echoed through your Church!

What emotion I experienced in them!

Those sounds flowed into my ears, distilling the truth in my heart. A feeling of devotion surged within me, and tears streamed down my face - tears that did me good."

HAND MADE CRAFTS FROM BETHLEHEM - HERE TODAY:

The continuous violence in the Holy Land is causing Catholics to flee Bethlehem. Catholics used to be 15% of the population and now they are only 1.5%. Due to the violence and the current political environment in Bethlehem, tourism has plummeted, and many of the citizens have lost their jobs or their businesses.

A majority of these are Christians, and a group of concerned Catholics are traveling the United States bringing hand-carved olivewood crafts and souvenirs from Bethlehem to churches throughout the country to raise money to support the Catholic families of Bethlehem.

Bishop Weigand has reviewed their organization and given them permission to contact churches in the Sacramento Diocese to display and sell their items.

The group is here at Holy Family this weekend, June 18th & 19th. These hand-made crafts are available in front of the church after all the masses. Please enjoy the crafts and help as much as you can.
