CATHOLIC SCHOOLS WEEK

Catholic Schools Week 2006 begins today. The theme this year is: "Catholic Schools: Character. Compassion. Values." Catholic Schools Week is an annual national celebration of the important role that Catholic elementary and secondary schools across the country play in providing a "value-added" education for America's young people. Catholic schools are proud of their educational network that emphasizes intellectual, spiritual, moral, physical and social values in their students.

During Catholic Schools Week, we celebrate education that goes beyond preparation for a secular life; it is an education that prepares students for a Christian life. We also celebrate the high standards of excellence and the quality of the education available to all students in Catholic elementary and secondary schools across the U.S.

Catholic schools are proud and productive partners in American education. At this moment in history, Catholic schools are no longer a small number of outposts offering separation and security in a hostile culture, but a vast network of institutions lighting the lives of the communities they serve in every corner of the land. Today our Catholic schools are a beacon of hope for many, especially the poor, and a powerful model for those who are working to redefine and rebuild American education.

The purpose of this week-long celebration is to build community awareness of, and involvement in, Catholic schools throughout the country. During this week, many dioceses and schools encourage parents to take full advantage of the benefits of local Catholic schools by enrolling their children in those schools. This is also an

occasion for schools to interest people in their communities in volunteering their time and talents to Catholic schools.

Catholic Schools Week is a joint project of the National Catholic Educational Association and the United States Conference of Catholic Bishops which became an annual event in 1974. The event is celebrated in communities across the U.S. that have Catholic elementary and secondary schools. State governors, big city mayors and small town councils have joined in to proclaim "Catholic Schools Week" in their localities year after year.

Each weekday of Catholic Schools week is designated to celebrate a particular part of the Catholic School community. Please see Holy Family School's feature in this bulletin for a schedule of events in our own school's observance of Catholic School's week.

On the national level, Wednesday of Catholic Schools Week (February 1, 2006) is designated as National Appreciation Day. This event was founded in 1990 to encourage Catholic school supporters nationwide to showcase the great accomplishments and contributions of Catholic schools to our country. On this day in particular, advocates are urged to wear a button showing their support.

Holy Family Catholic School is a great gift to our community and a great gift to the Church. Catholic schools are deeply rooted in the life of the Church, the body of Jesus Christ, who is the source of all life. Catholic schools draw their life's breath from their roots in the Catholic community and they, in turn, breathe new life into the Church. I encourage all parishioners to learn more about Holy Family School and its tremendous value in our faith community.

Health Ministry

NEW HOURS - HELP WANTED!

The Health Ministry office will now be open Tuesdays and Thursdays from 10:00 am to 12:00 pm for scheduled and unscheduled appointments. You may call the office for an appointment at 721-0388. Blood pressure checks will continue to be done on the 1st Sunday of the month after the 7:30 am Mass and will continue for ALL parishioners until 1:15 pm. It is our hope to have an interpreter to assist us after the 10:30 Mass for those non-English speaking Hispanic parishioners. It is important to the success of the program to have a Health Ministry Committee to advise and suggest health programs and priorities specific to this parish. We have one volunteer at this time; however, three volunteers plus one bilingual Hispanic parishioner are needed. A volunteer does not need to have any medical background - just an interest in the overall health and educational programs that would be of interest and benefit to parishioners and their friends. Examples of such topics include CPR, Diabetes and Advance Directive classes. Meetings would be kept to a minimum. PLEASE contact us as soon as possible if you are interested at 721-0388.
